This is a rain-or-shine outdoor event. Please plan accordingly.

Dogs must be on lead or crated unless running.

ABOUT FAST CAT

"The purpose of the AKC Fast CAT event is to provide all dogs and their owners an enjoyable, health activity in which they can participate.

1. Fast CAT is a timed straight 100-yard dash for dogs.
2. Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced and dogs are run individually.
3. Dogs are timed when they complete the 100-yard dash. The time is converted to Miles Per Hour (MPH).
4. Based on the dog's size at the withers a handicap is applied and points are earned:
 - 18" or greater = Handicap is 1.0
 - 12" up to less than 18" = Handicap is 1.5.
 - Under 12" = Handicap is 2.0.
5. **FORMULA: MPH X HANDICAP = POINTS**
6. Titles are earned at specific point levels and the highest suffix may appear after the dog's name:
BCAT = 150 points
DCAT = 500 points
FCAT = 1,000 points
FCAT# = Each additional 500 points

(732) 919-7373 Open 7 days 8 - 8

ENTRIES ARE LIMITED TO 80 RUNS PER TRIAL

Entries to the Coursing Ability Tests (CATs) offered this weekend may be further limited by the amount of daylight available to the field committee each day. Because of variable start-times for each CAT event, the exact number of runs/tests which can be completed on a given day is unknown. Sunset naturally will compromise the visibility of the judge(s), huntmaster and lure operator(s), but most significantly it will risk the safety of the running dogs. Therefore, no tests/runs will be conducted once daylight becomes too scarce to promote the wellness of the dogs and the skills of the field committee and event officials.

In the unlikely case that a dog entered in the FAST CAT cannot complete its run/test because daylight has become too scarce to safely continue the event per the field committee's decision, its entry fees for that test will be refunded promptly.

BCDC wishes to provide as much opportunity as possible to individuals seeking to test their dog's coursing ability but acknowledges that 80 entries is a realistic number of entries per trial.

Your feedback is welcome, and we invite to you share with our Field Chairman or Field Secretary your impression of this approach and our efforts to accommodate as many enthusiastic coursers as possible. Thank you.
